Mr. James Johnson,
312 Orange St.,
Albany, N. Y.

Dear Sir:

I made a trip to Albany recently to arrange to play some games in Hawkins Stadium. We have just drawn up our schedule for the second half and would like to come to Albany Tuesday, July 18th to play a game with The New York Black Yankees. I am writing Mr. McCaffrey at this time to ask if we can have the Park. Will you please check with him. If we secure the Park, will you see if the two teams Mr. McCaffrey spoke of would like to play the twilight game the same day. We will give them \$50.00 a piece. They were The Albany Black Sox and The Mohawks from Schenectady. If they will play, please send me their correct names so I can have them put on the placards. I will order cards and have them shipped directly to you.

I would like their written agreement to play. You will have to get to work on it right away, as the 18th is not far off.

Will appreciate hearing from you right away.

Yours very truly,
